

In re TON ET AL., Application No. 09/776,794
Amendment C

Amendments to the Specification:

Please replace the paragraph beginning on page 7, line 19, with the following amended paragraph:

As used herein and contemplated by the invention, computer-readable medium is an extensible term including, but not limited to, memory, storage device(s), and/or other storage mechanism(s). ~~not limited to memory and storage devices; rather computer readable medium is an extensible term including other storage and signaling mechanisms including interfaces and devices such as network interface cards and buffers therein, as well as any communications devices and signals received and transmitted, and other current and evolving technologies that a computerized system can interpret, receive, and/or transmit.~~
